

Dear Troy,

Thank you for your time and consideration while volunteering on Wednesday, 8/6/2008, 6:30 PM to 8:30 PM.

Your group of 5 people sorted food to be distributed to families struggling with low-wage jobs, growing housing costs and homelessness. Your efforts helped feed low-income seniors, as well as low-income volunteers who are helping others while helping themselves. Volunteer support is essential for Second Harvest to maintain efficient and cost effective services. Because of you and other volunteers, over 162,000 people a month are able to receive food. The food is distributed through our partnering agencies, their satellites, and through Second Harvest Food Bank's direct service programs.

We want you to know how deeply we appreciate the time you have taken out of your own busy lives to help us achieve our vision, "Providing food for people in need in our community." Your gift of time has made a difference for many in our community. Please express our appreciation to the members of your volunteer team for giving their precious time and hard work while at Second Harvest Food Bank.

Year round, the Food Bank is always in need of volunteer help and we hope you will be able to join us again. We look forward to the continued partnership with Prometheus Athletics.
